Land Use Intent: Application Form

- This form is used to submit a land use proposal to the Town of Vermont, with the exception of a Conditional Use Permit application.
- A Land Use Intent Application Form must be received at least ten (10) days prior to the Plan Commission meeting.
- Any material submitted with this application, including plans and personal information, will be publicly available upon request.
- Incomplete forms will be returned.

Guiding Principles: Town of Vermont Comprehensive Land Use Plan

There are four guiding principles that any potential development within the Town of Vermont will be subject to adherence. Complying with these guiding principles is as important as compliance to any ordinance. A Land Use Intent application and any associated site visit will be reviewed on the following criteria in addition to applicable ordinances and reducing development visibility. **Please initial each box as acknowledgement of your understanding of compliance:**

Maintain and preserve the rural character of the town

- Preserve agricultural opportunities
- Protect the environment
- Protect and preserve the natural beauty of the town

Refer to Section 2.3 within the Town of Vermont Comprehensive Plan for additional detail.
